

# Reflections Blue Jacket 1982

*Alma Mater*

*Our Alma Mater, S. H. S.  
You stand beneath a southern sky,  
Oh, how our hearts are filled with pride,  
Whene're your banner waves on high.*

*Loyal to thee, our guiding light,  
We'll ever praise the Blue and White.*

*When from your classrooms we have gone,  
Our places in the world to find,  
In memory we will come again,  
And gather 'round old High School's shrine.*

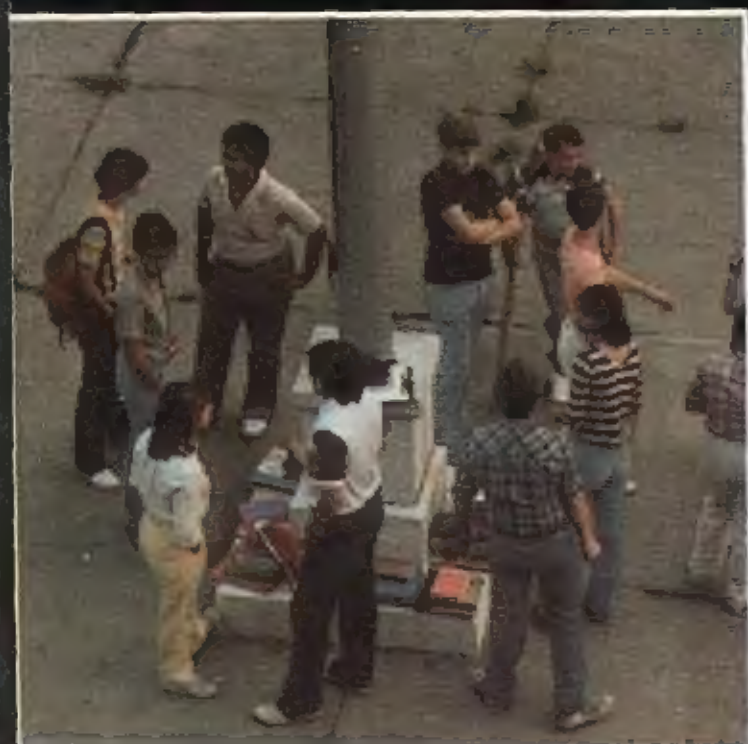

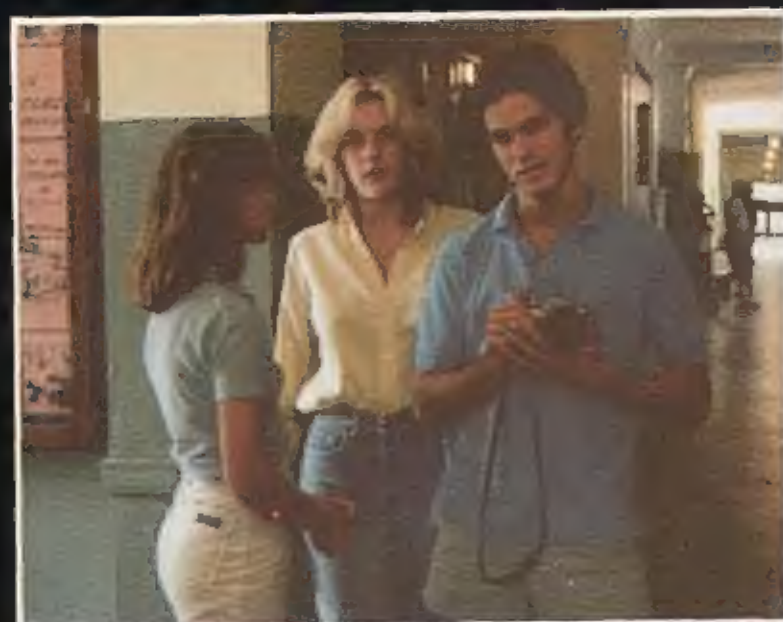

*Loyal to thee, our guiding light,  
We'll ever praise the Blue and White.*

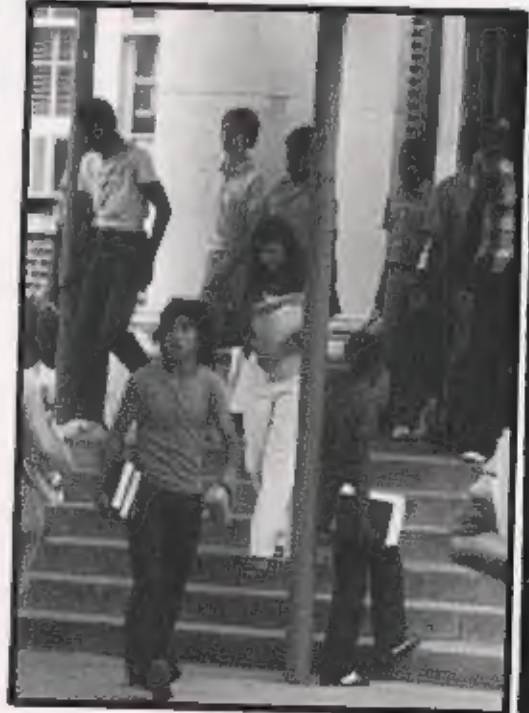

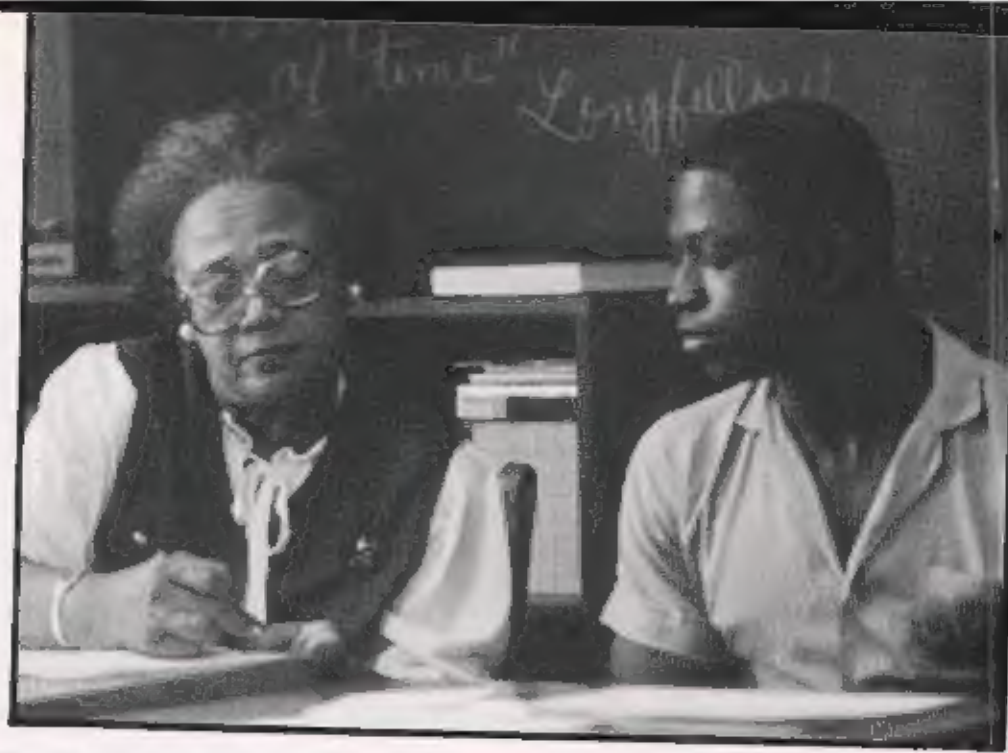

*Looking back, we see the image of what we are, in our minds  
we know what we were, and in our dreams we dare to hope  
for what we may become.*

*The time we have spent learning and growing has provided the background and the foundation that will determine our future.*

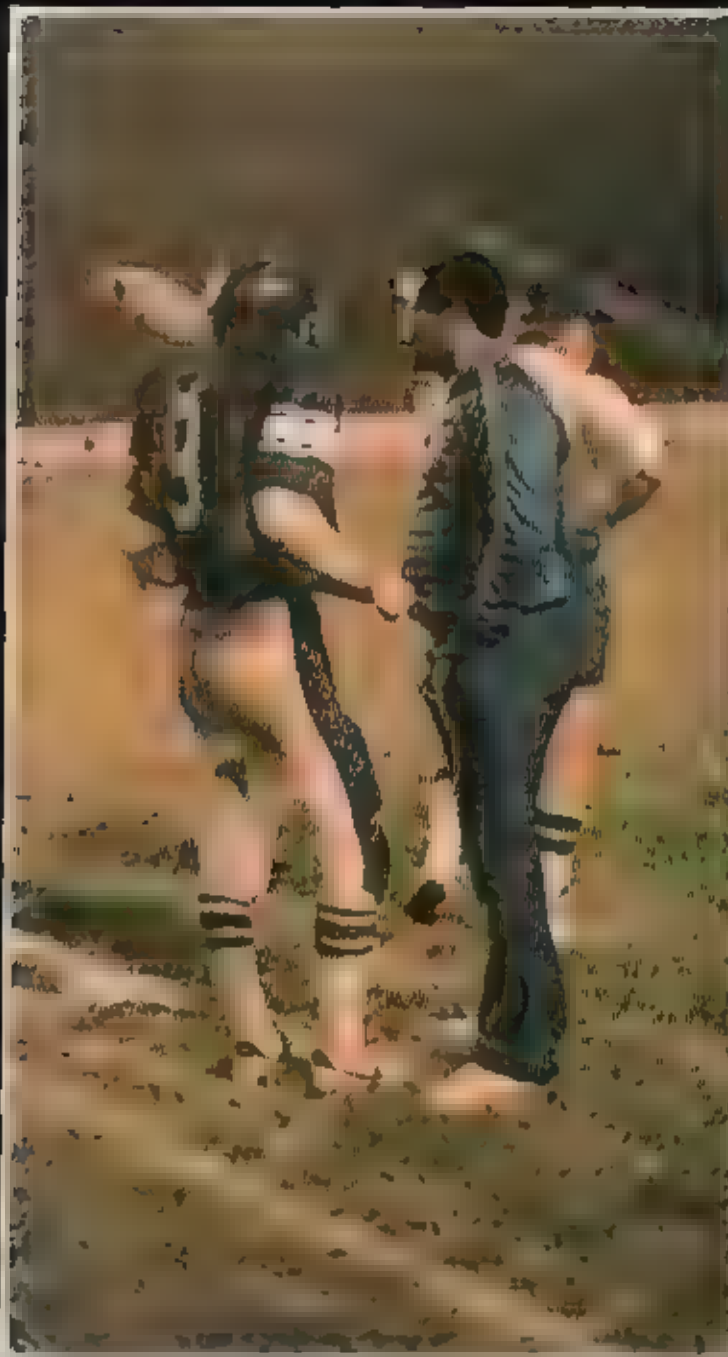

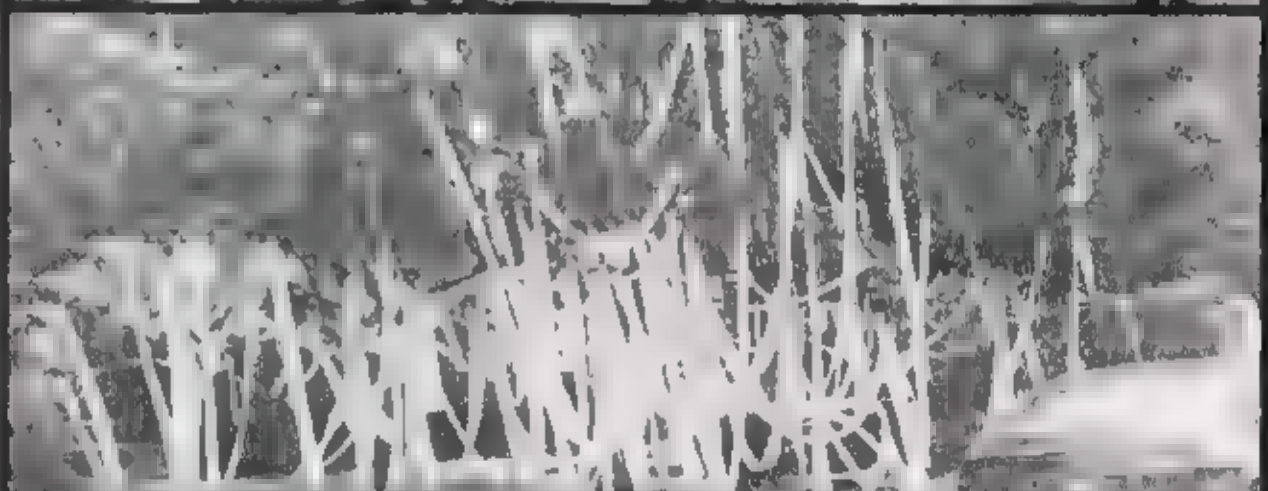

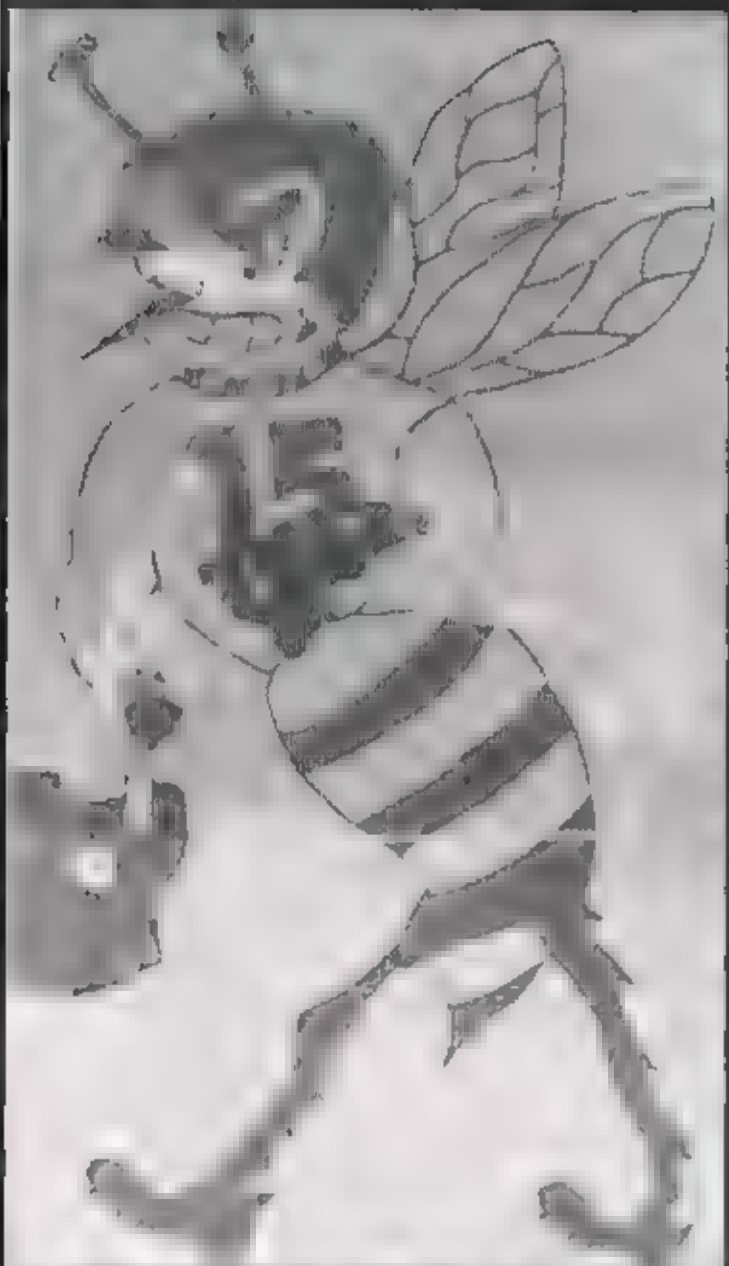

*The days, the months, the years, the shining memory of our time in this school is reflected here.*

WELCOME VISITOR  
DOWN + TO GO DIR

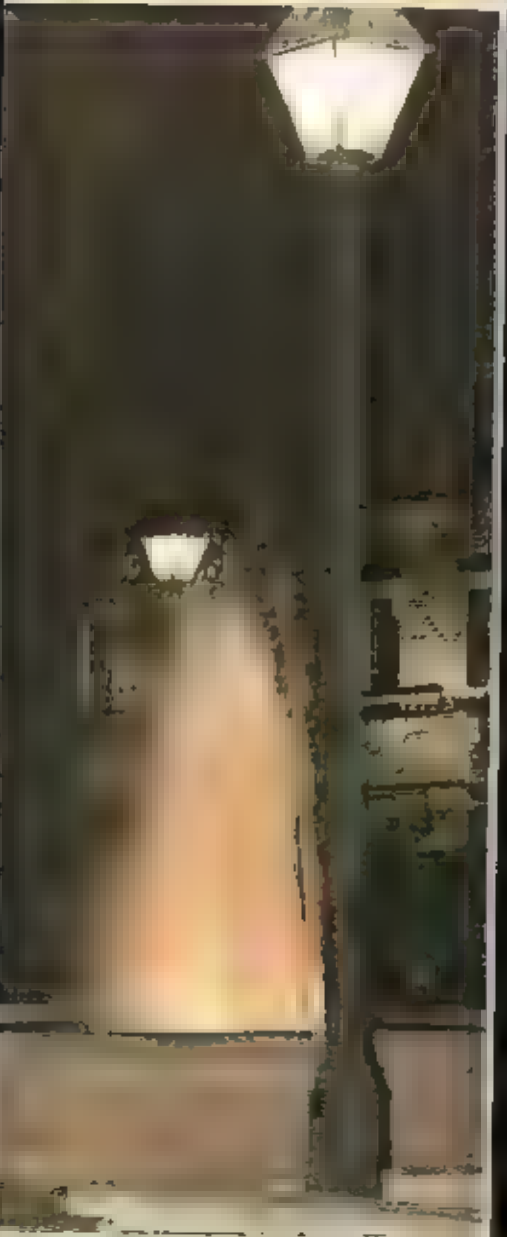

*Think back to the events you shared with friends at SHS. The memories of the victories and the defeats, of the laughter and the tears will never fade away.*

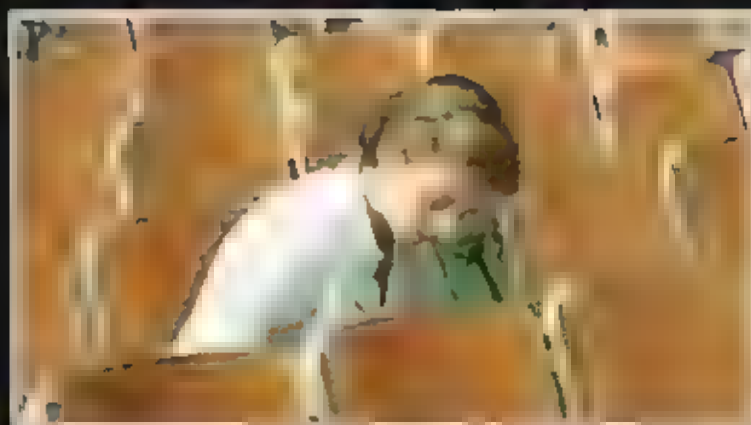

*On these pages we have captured only a few precious moments of your school life. We hope these reflections will revive for you the times you may have otherwise forgotten.*

The Senior Class  
Selects the  
11 Finalists  
for Miss Blue  
Jacket 1982

Kim Pate

Phyllis Roundtree

Sonja Strain

Spring Williams

Fifty-three (53) senior girls submitted their pictures for consideration by the Senior Class for candidates as Miss Blue Jacket. The Senior Class selected eleven (11) young ladies as finalists for Miss Blue Jacket. The photographs of these eleven beauties were then submitted to the judges. The judges for the 1982 Miss Blue Jacket contest were THE BEACH BOYS, a well-known rock group who appeared in concert on Wednesday, October 21, 1981 at the Savannah Civic Center. After forty-five minutes of intense consideration, THE BEACH BOYS announced their choices. Congratulations and Best Wishes to each young lady.

## **DEDICATION**

*Savannah High School has been privileged to have a faculty and a staff that is competent and understanding. This year's dedicatees uphold these qualities as well as maintain school order. These two men possess special qualities to help students with their problems whether academic, social or personal. With great honor and appreciation, we, the Blue Jacket Yearbook Staff, dedicate the 1982 Blue Jacket to Mr. Theron Spencer and Mr. Donald LaBlanc.*

**Eat a Live Toad  
First Thing In  
The Morning And Nothing  
Worse Can Happen To You  
The Rest Of The Day!**

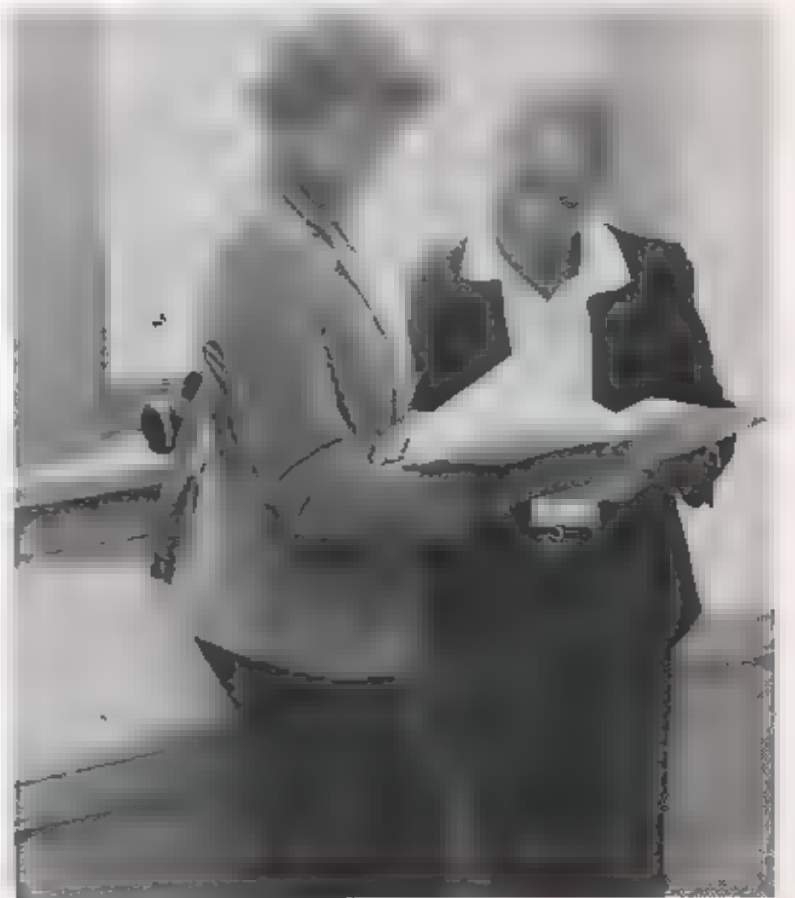

Students working together project  
the pride and enthusiasm  
of Savannah High School.

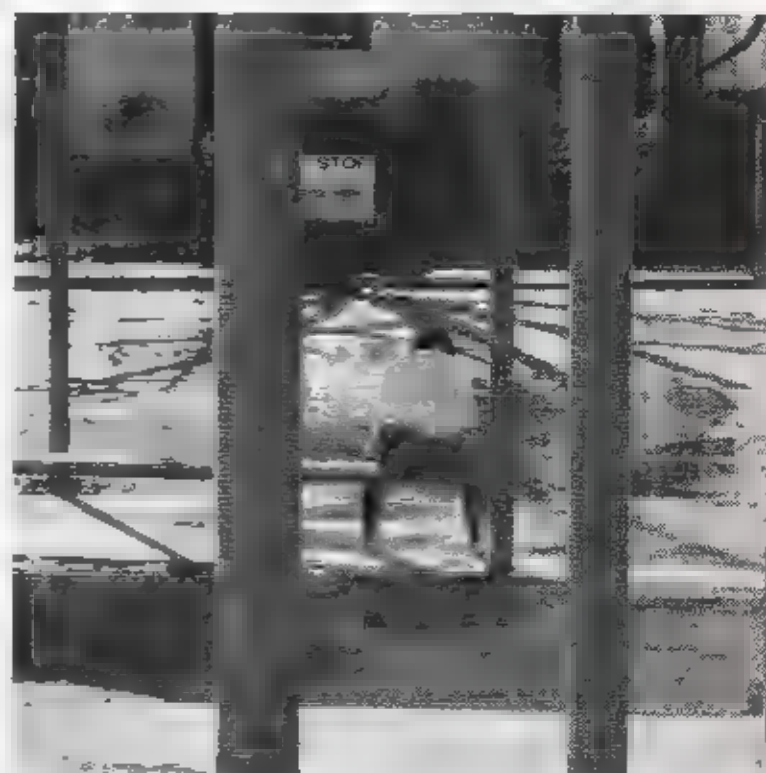

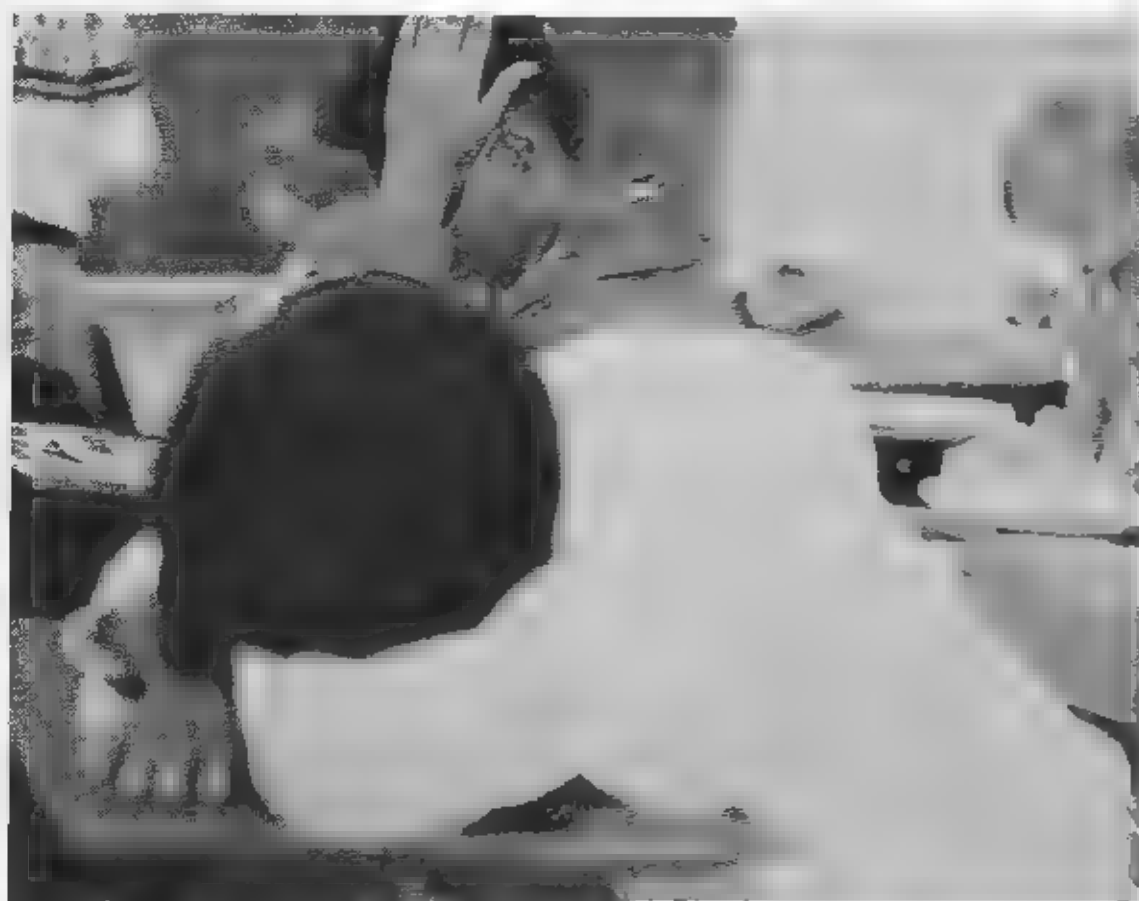

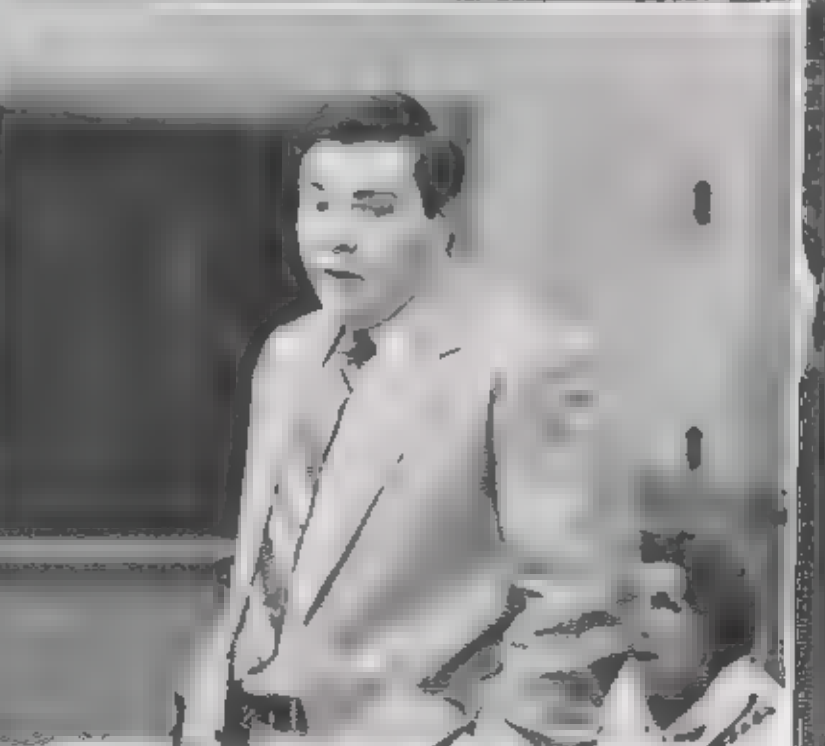

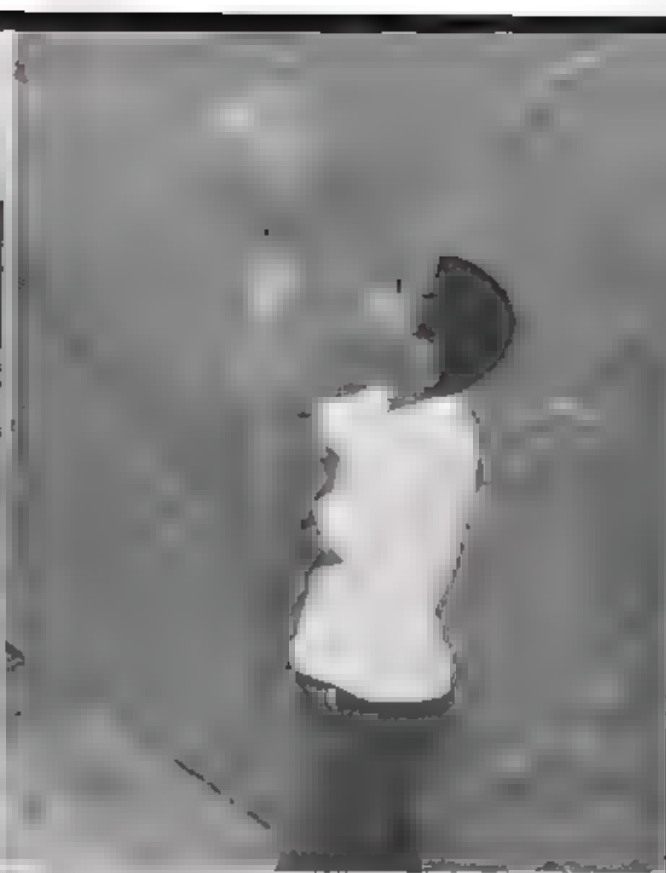

Taking it easy is also  
a part of life at  
Savannah High School.

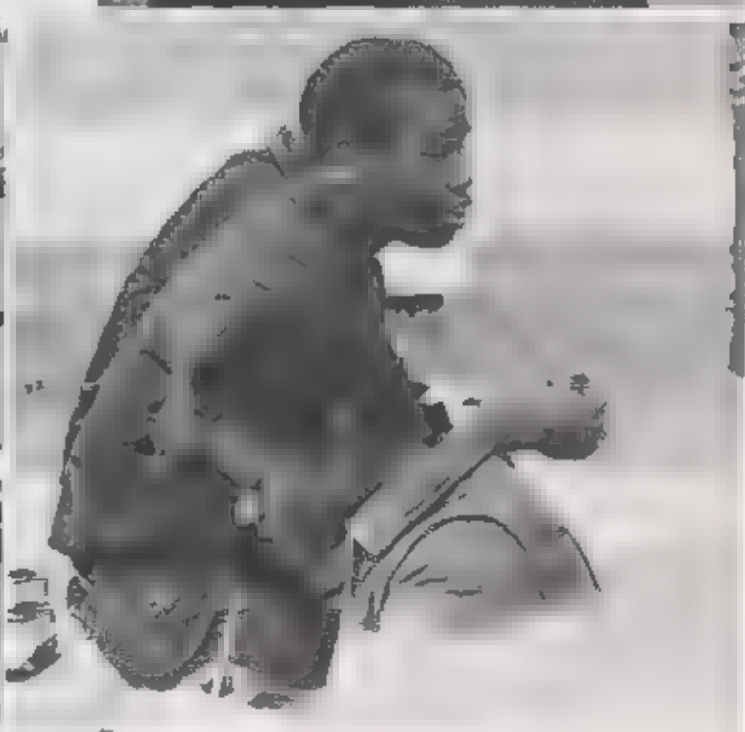

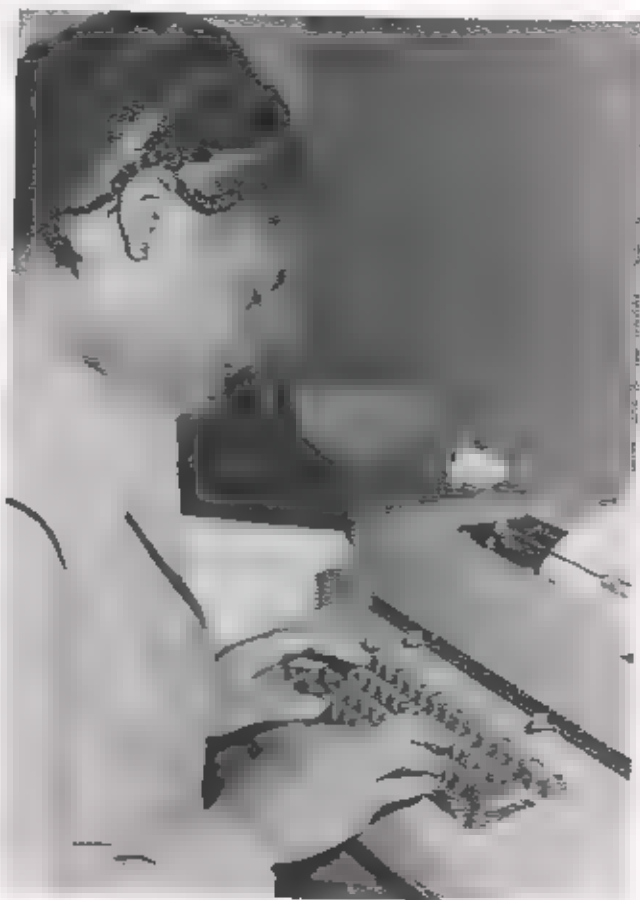

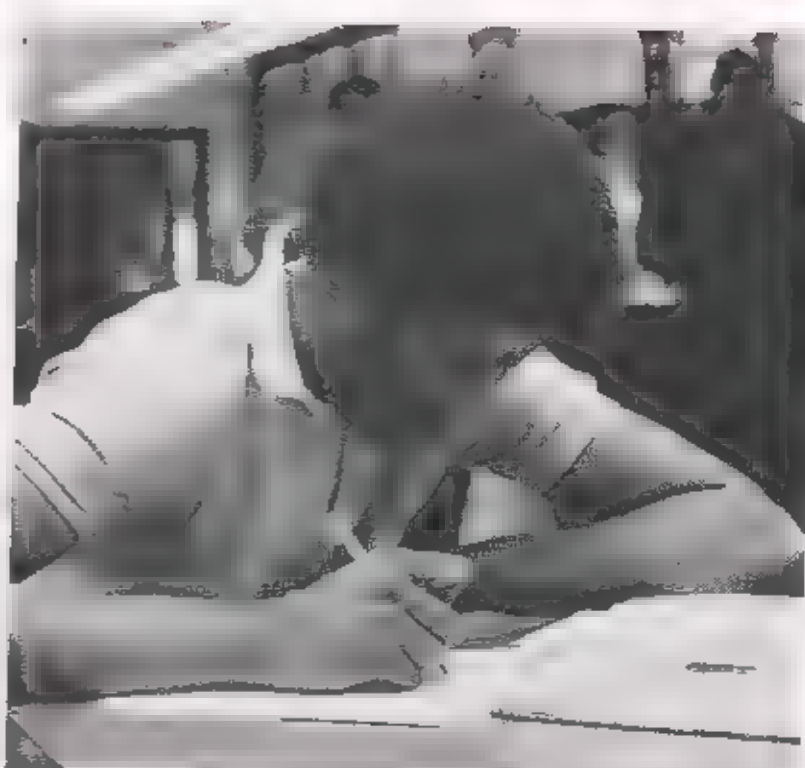

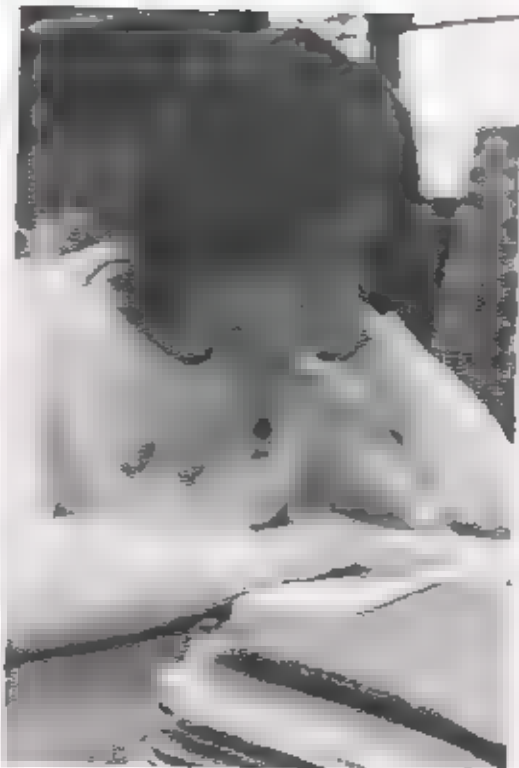

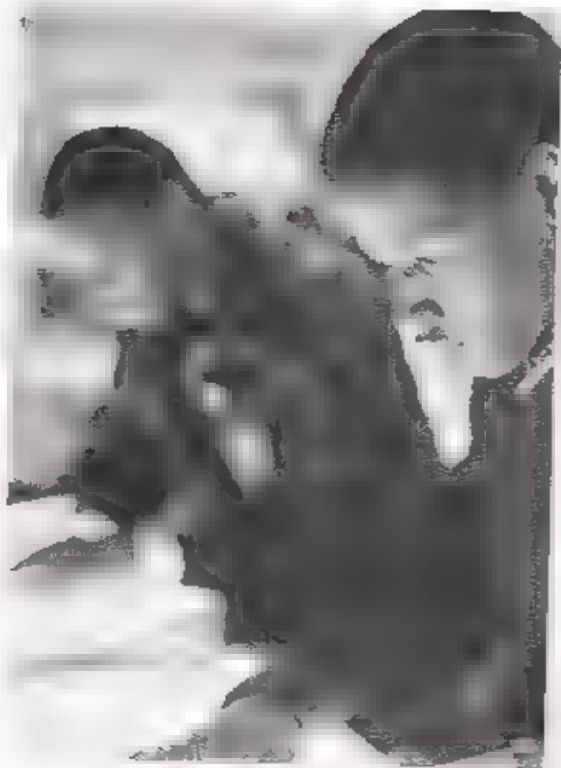

Life at Savannah High School  
can be exciting  
and interesting.

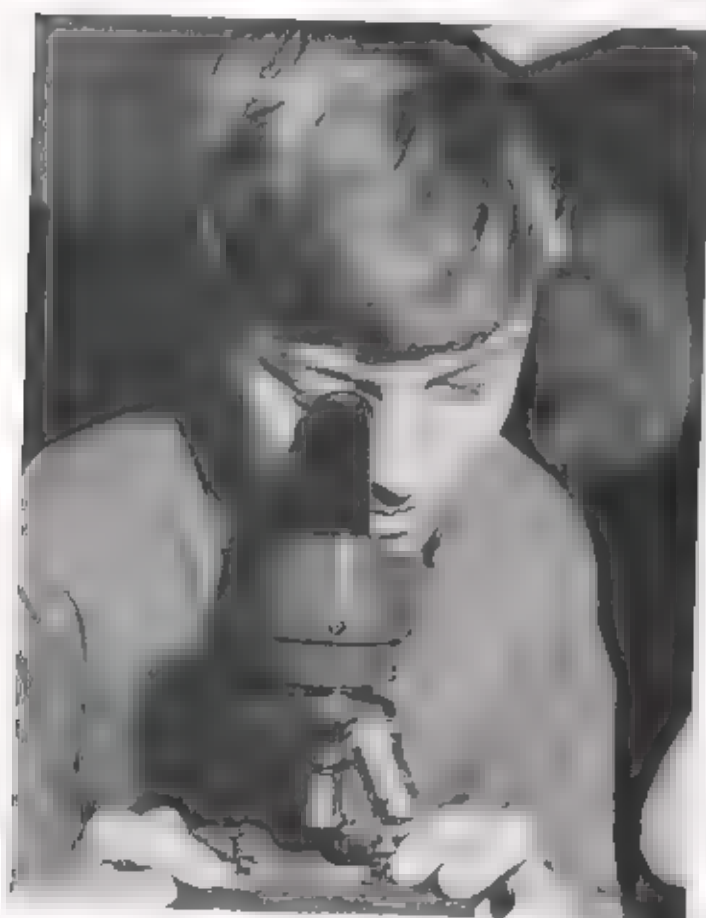

Recall the people who shared our lives;  
The ones who brought us laughter;  
Those who brought us tears;  
The ones who shared our secrets;  
Those who helped build our dreams.

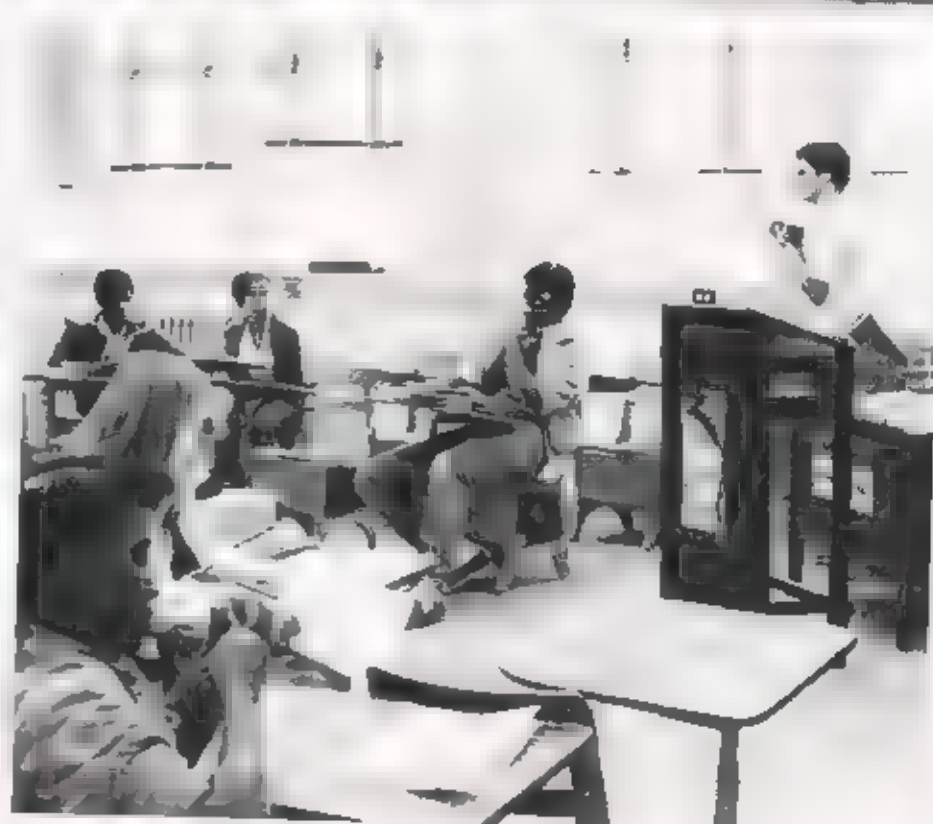

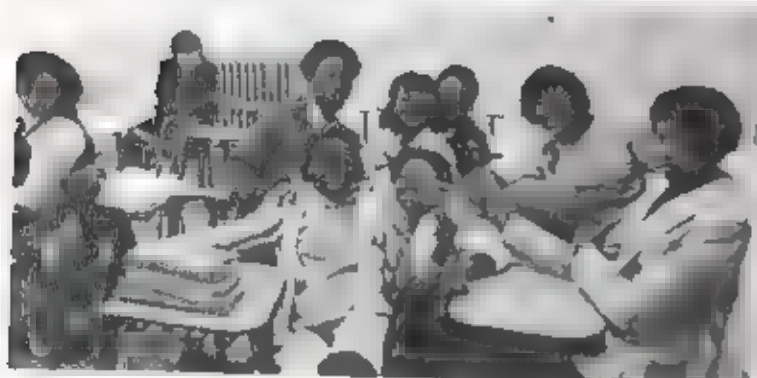

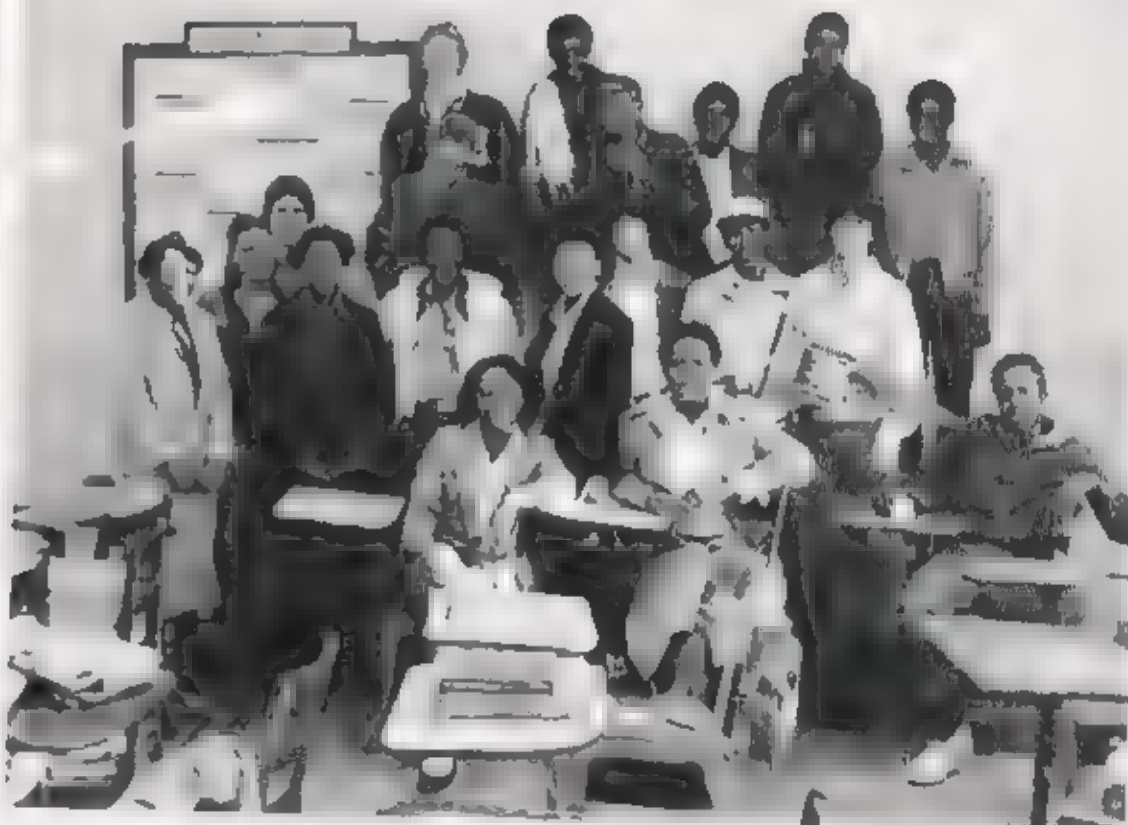

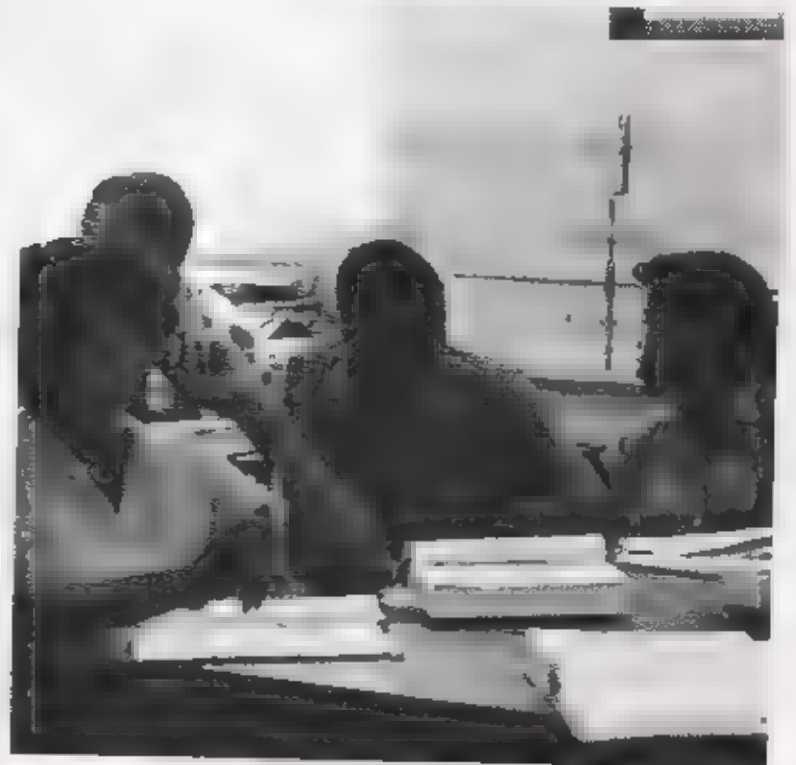

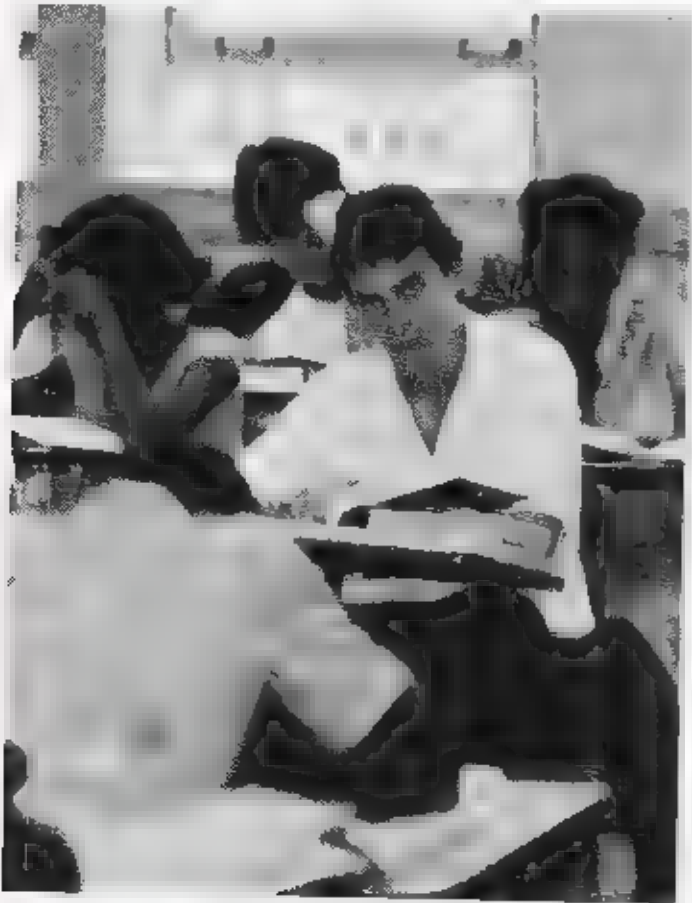

The classrooms of Savannah High are the most influential part of our school. It is here where we build our education as well as our future.

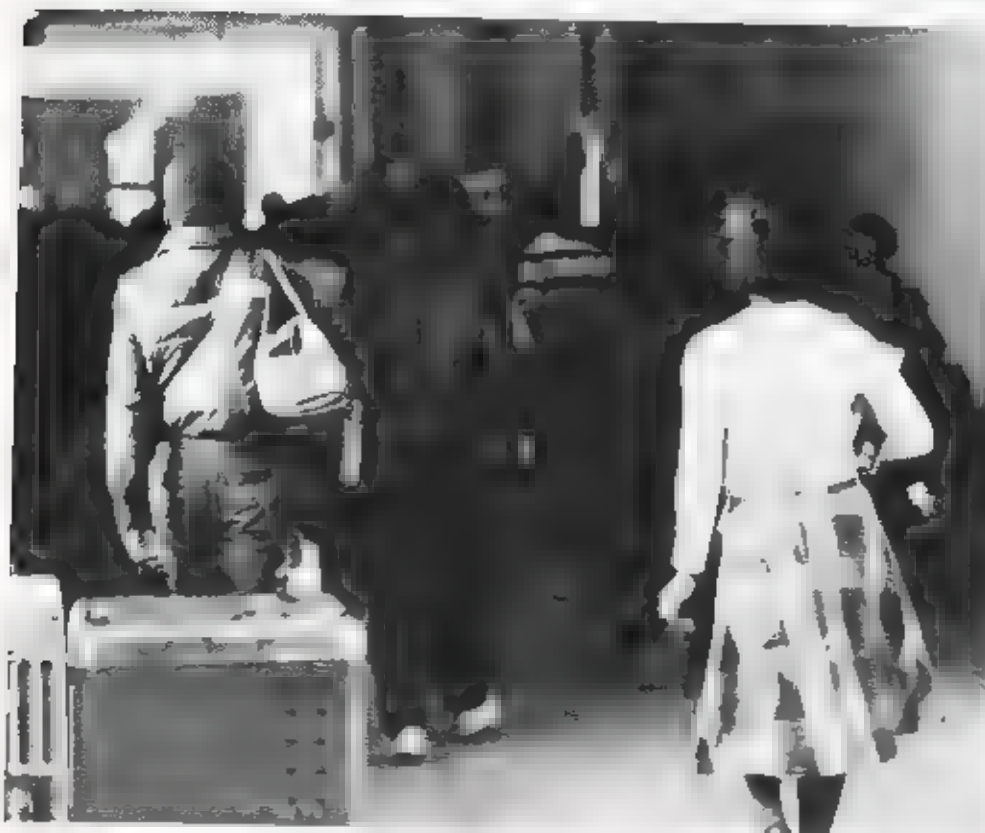

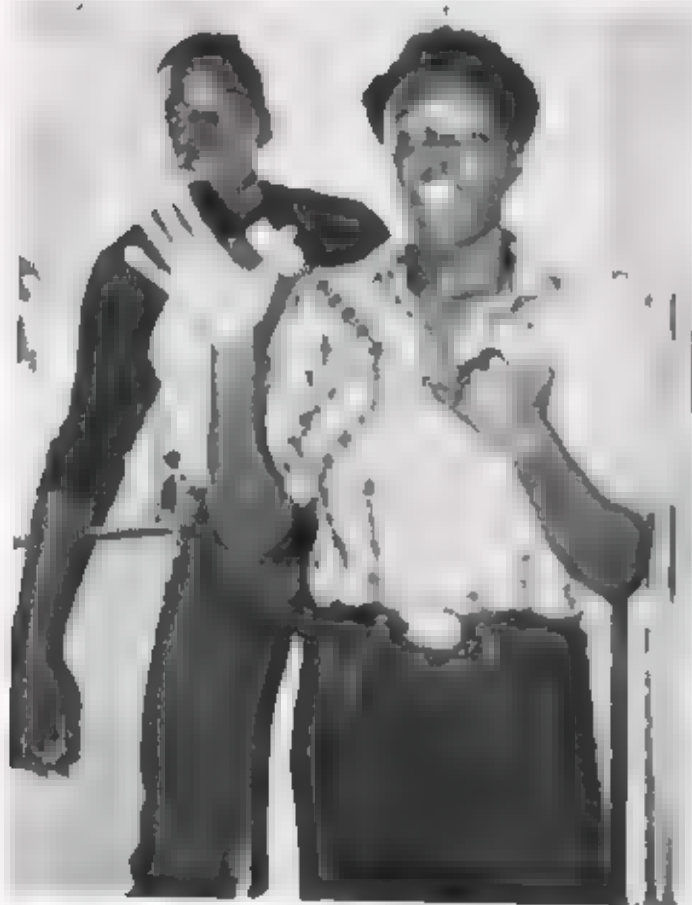

Echoes of slamming lockers, shuffles of running feet, voices of acquainting friends are all part of the scenery of Savannah High School's halls. Looking back, we realize that even though we may have been caught in the halls without a pass, those times at S.H.S. were the best of times.

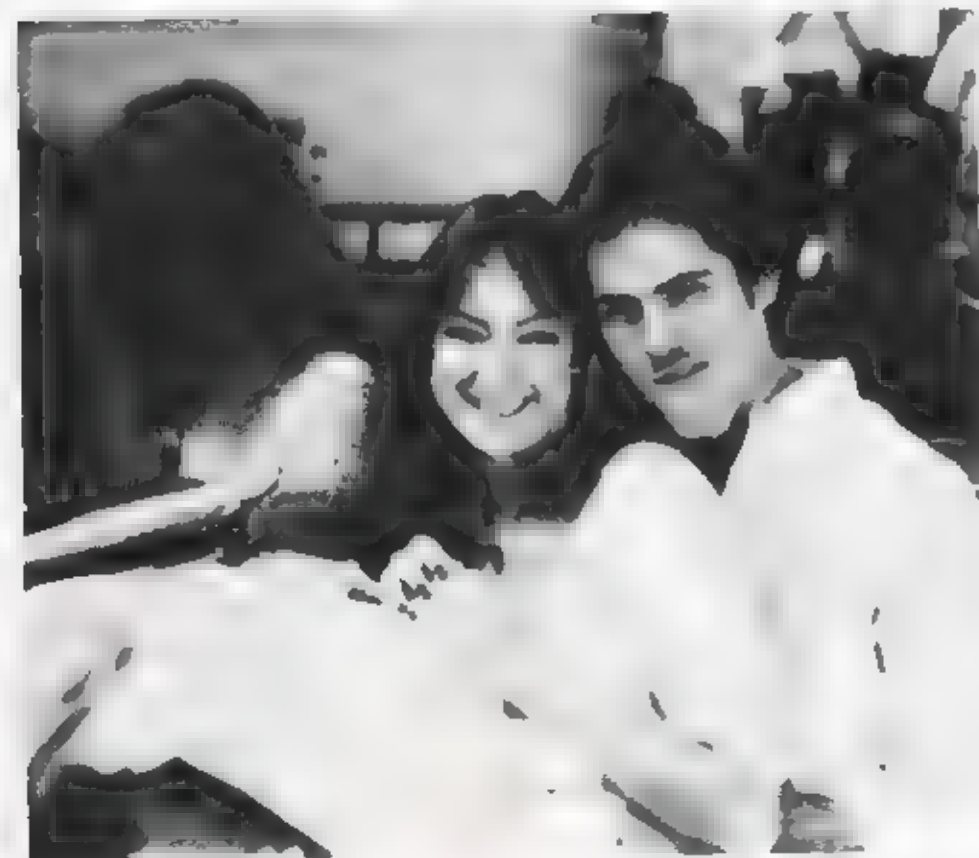

Lunch is probably the most enjoyable time for students at Savannah High School. It is at this time when we get to relax, talk to our companions, and eat, . . .

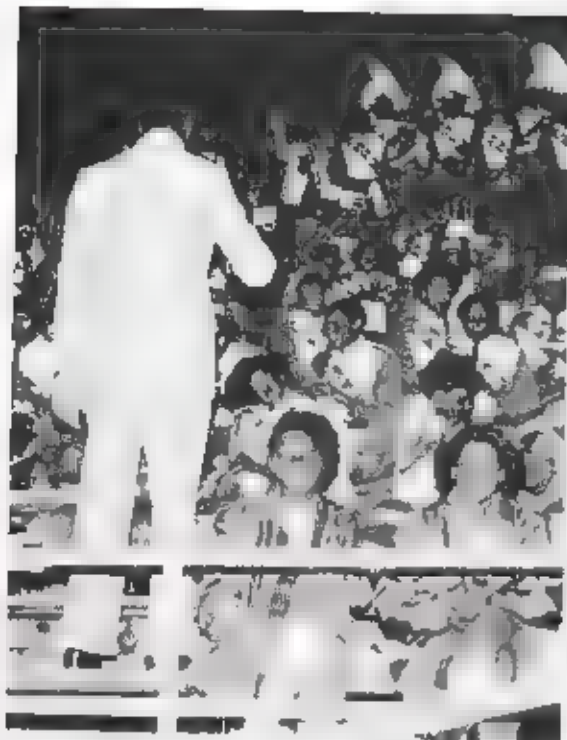

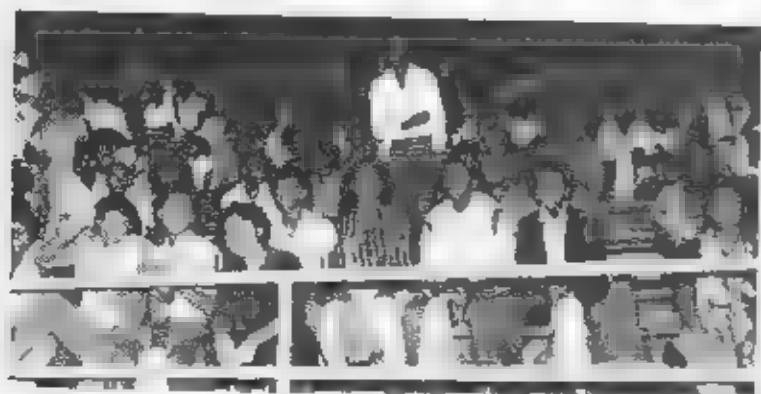

Outside we reflect upon the times  
we share with our friends.

**Pep rallies boost our spirits  
and  
cheer us on to victory.**

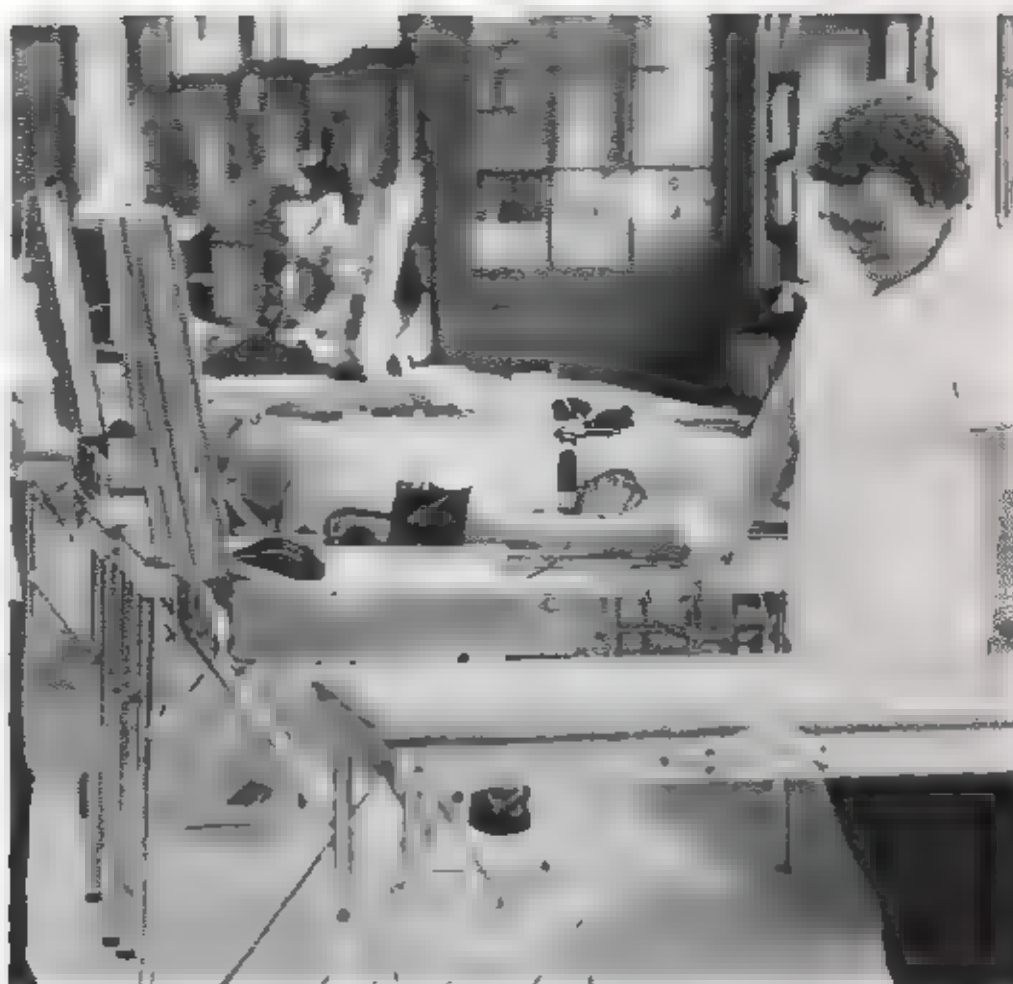

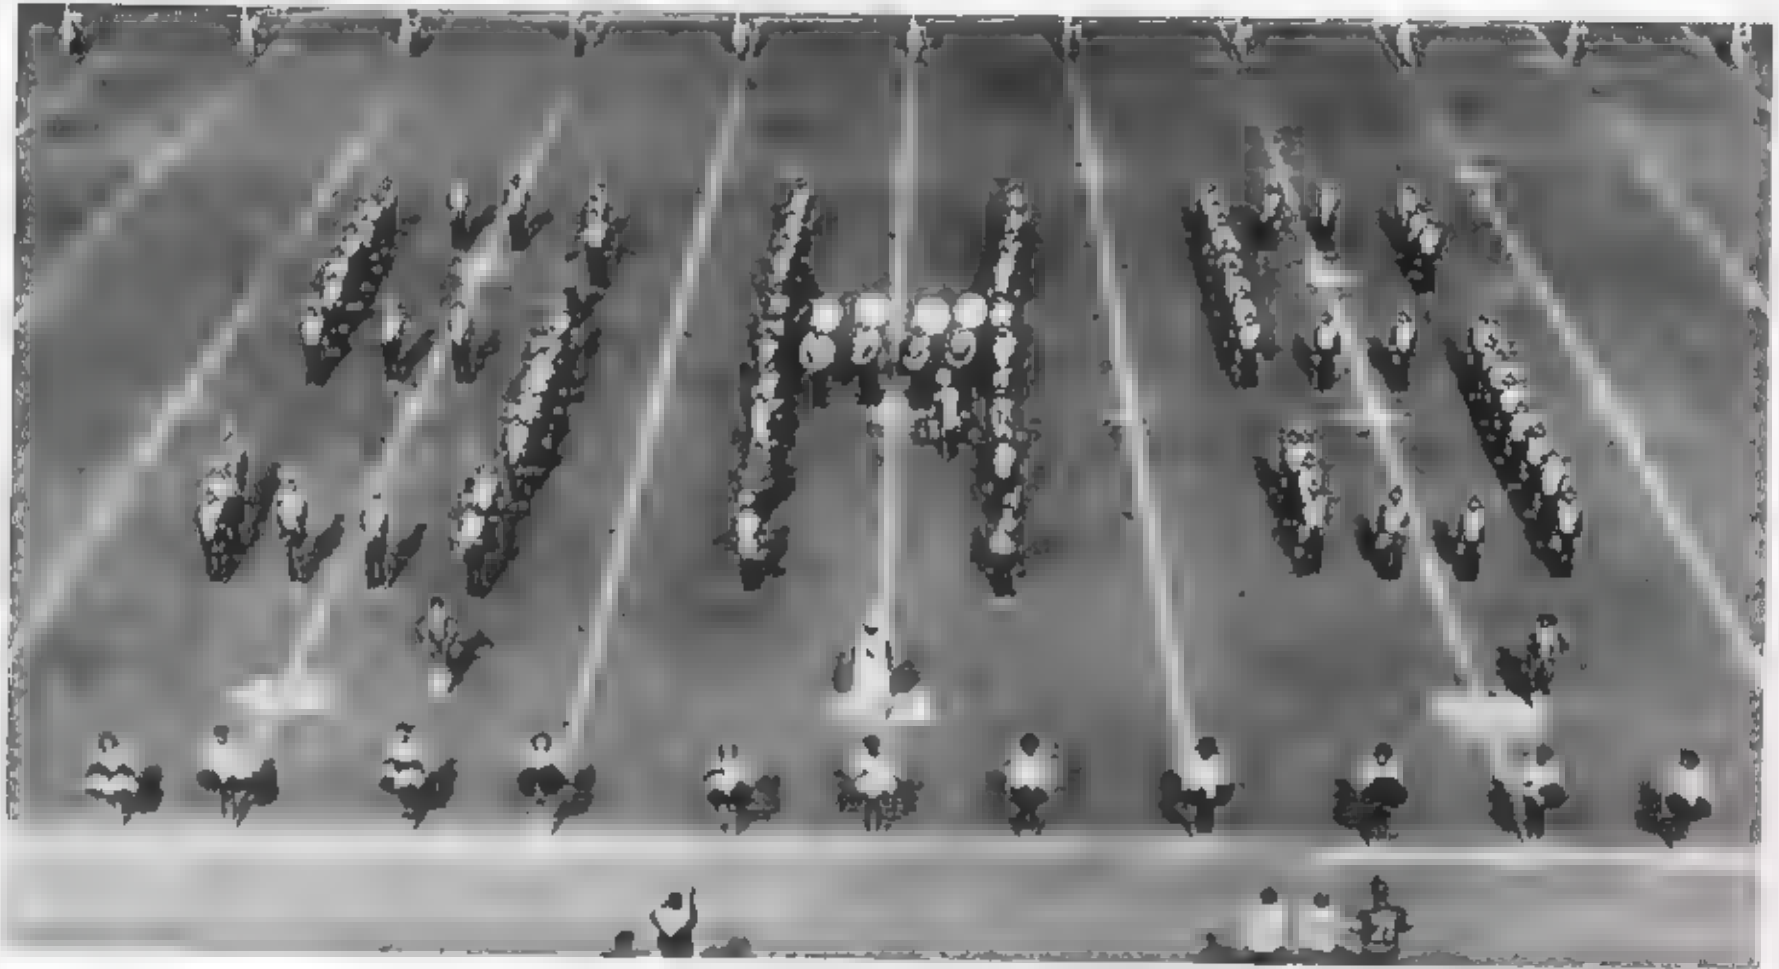

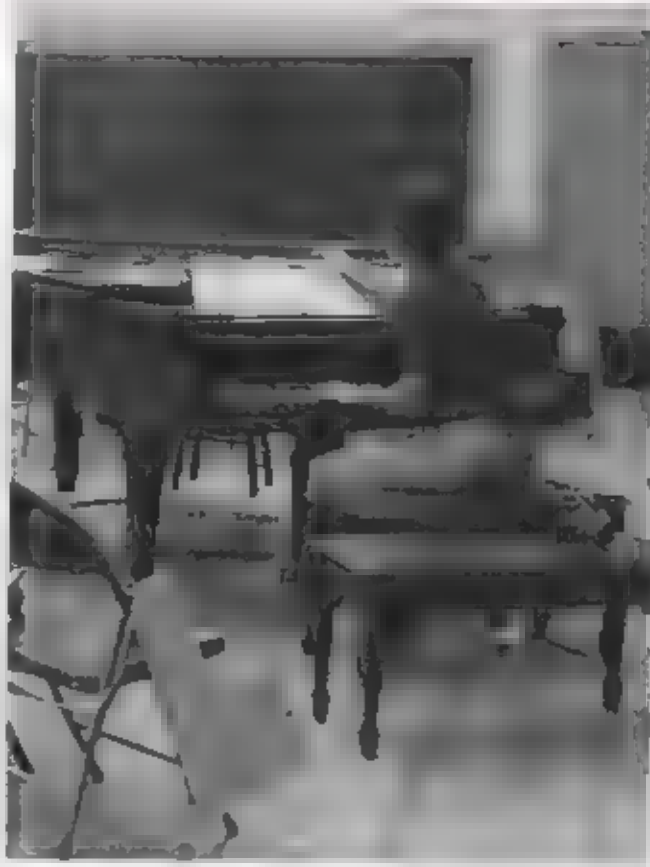

**The Blood Drive is a major activity occurring each year at Savannah High School. Donors who are 17 years old and weigh 110 pounds help to reach goals that benefit the Red Cross as well as S.H.S.**

Ten years from now I will be a famous sports star, preferably in football or baseball. I will play for about two years at a million a year. Then I will quit and become a lifeguard. I have not decided on which beach. But it will be the beach with the best-looking ladies.

In ten years, I will be a world-famous trial lawyer, only taking on the cases that I choose. Eventually, I will be the defending lawyer in an extremely controversial case. Of course, I will win. Since I will have received so much money from this case, I will take a long vacation and go on a world cruise. Upon returning, I will take on other cases when I become bored with all the traveling and such. After a while, I will settle down and get married to a wealthy Computer Expert. We will have two children, and after my husband and I tire of working, we will retire to the French Riviera

My occupation ten years from now will be a leisurely one. Every Monday and Thursday, I will enter my office in the morning. After shuffling through a bit of paper work, I will make a tour of the plant to make sure everything is running smoothly. On completing a couple of hours of work, I will return to my mansion, on the outskirts of town. My chauffeur will be given the remainder of the day off. Because the plant was running smoothly and my broker had called already, my wife, Leeann, and I will spend the rest of the week with our children on the French Riviera. This will be a typical week in my life ten years from today.

## Behind Our Products Stands a Parmer

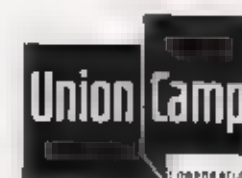

Tommy Parmer typifies the Union Camp papermaker. He is committed and experienced, and along with his co-workers is responsible for manufacturing over a million tons of product a year.

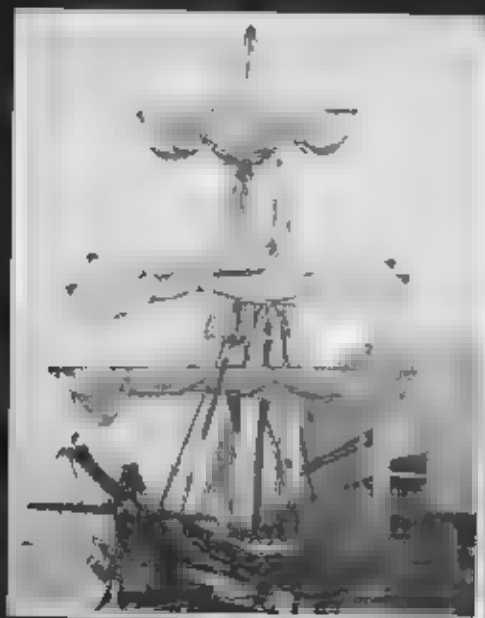

For over 35 years the Pooler, Georgia resident has been making paper at the Savannah Plant. He is on the number six paper machine team which averages 650 tons of linerboard production a day. This strong, quality sheet leaves the mill headed toward conversion into a corrugated box.

These containers are used to package everything from ovens to oranges. Virtually everything we use — appliances, furniture, automobiles, food, clothing, and a great deal more is shipped, at some point, in a corrugated box.

So you see, Tommy Parmer's dedication and skill help forge a link between manufacturers and consumers, and that's important.

Thanks Tommy!

## **ECONOMIC IMPACT**

**We're UNION CAMP - Savannah  
look at us this way...**

**Look at us as a rock solid part of  
the economic foundation on which  
the community rests, a company  
whose impact exceeds a quarter  
of a billion dollars annually!**

# SAVANNAH HIGH SCHOOL

Savannah, Georgia 31405

OFFICE OF THE PRINCIPAL

Joel Formby

(912) 238-5271

January 4, 1982

Dear Class of 1982:

You are a particularly special class to me. Most of us arrived here at Savannah High School together almost four years ago - you as freshmen students; I as a freshman principal.

My four years at Savannah High have been unbelievably full. I have made some of the dearest friends that I will ever have. I have had to make some of the most difficult decisions that I can imagine ever having to make. And I have learned as much in the last four years as I learned in all of the preceding years. I suspect that you can say the same about your four years here.

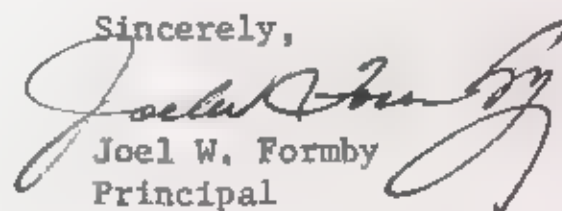

I feel a need to offer to you some advice that I consider very important. Take time to set ambitious goals for yourselves. To illustrate the importance of this advice, I will use a nautical analogy.

Picture a sturdy ship with a capable captain and competent crew. The ship leaves port but has no predetermined destination. How then can the ship ever reach its destination if, indeed, it has no destination. It can only cruise aimlessly.

Without goals - without a destination - you, too, can expect only to cruise aimlessly. Set ambitious goals for yourselves.

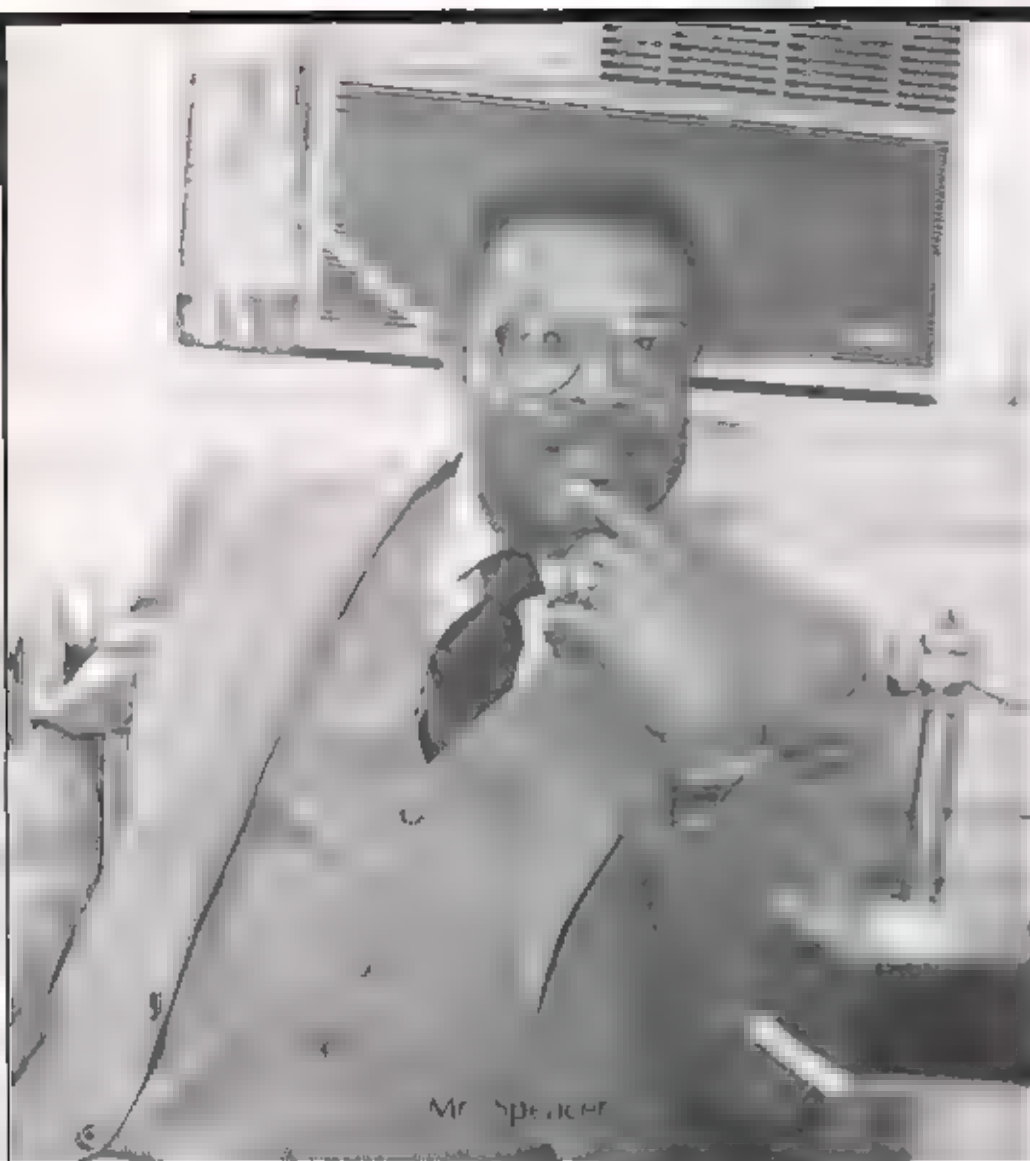

I wish for you long, healthy, happy lives and peace of mind in your lives and in your work.

Sincerely,

Joel W. Formby  
Principal

Coaches: Pitura, Hardy, Ramsey, Manior (head coach)

Coming into the 1981 football season, the Blue Jackets' outlook looked rather bleak. We were faced with serious problems. The over-riding question on everyone's mind was where the scoring power would come from.

Manior entered the Tompkins game without the knowledge of who would be the inside ball carrier. With 1:32 to go before the half, senior fullback Henry Simmons was introduced into the Blue Jackets' lineup. When Henry "Jaybird" got through with the Wolverines, the Blue Jacket had piled up 82 yards on 12 carries. The only score of the evening came when junior halfback, Nathaniel Young blasted in from the three to help the Jackets in their 7-0 victory.

### Jackets Drilled By Cadets

On September 4 at Memorial Stadium the Blue Jackets fell to the Cadets 16-6. The Cadets' win over Savannah High evened the long running series between the two schools at 38 apiece. The Cadets' first score came after recovering a fumbled punt by Savannah High's Charles Scott. The Blue Jackets were awarded two penalties to benefit the Cadets in their drive. The only Blue Jacket score was again by that sensational halfback, Nathaniel Young, on a two-yard plunge.

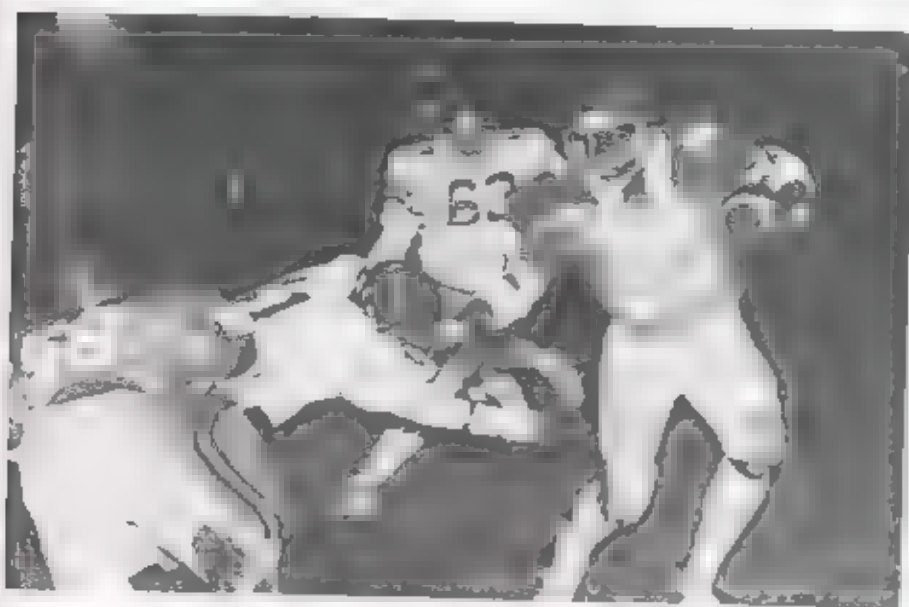

### Jackets Blanked By Red Terrors

Glynn Academy scored two touchdowns in the first and final quarters, and a tenacious defense blanked our Blue Jackets 13-0.

### Rebels Down Jackets

Savannah High managed only 99 yards on the ground and 59 through the air. The Jackets threw 17 passes, completing five; and suffered four interceptions. The final score was 13-3. Johnny Mills' was good for a 31-yard field goal.

### Jackets Rout Knights

The Blue Jackets' Homecoming was a complete success as the Knights of Windsor Forest were shut out 26-0. The offense rushed for 262 yards and passed for 62 more. For the night, senior quarterback Johnny Mills hit two of four passes; one for a touchdown to junior receiver Jack Grant. The Jackets finally started to generate some offense.

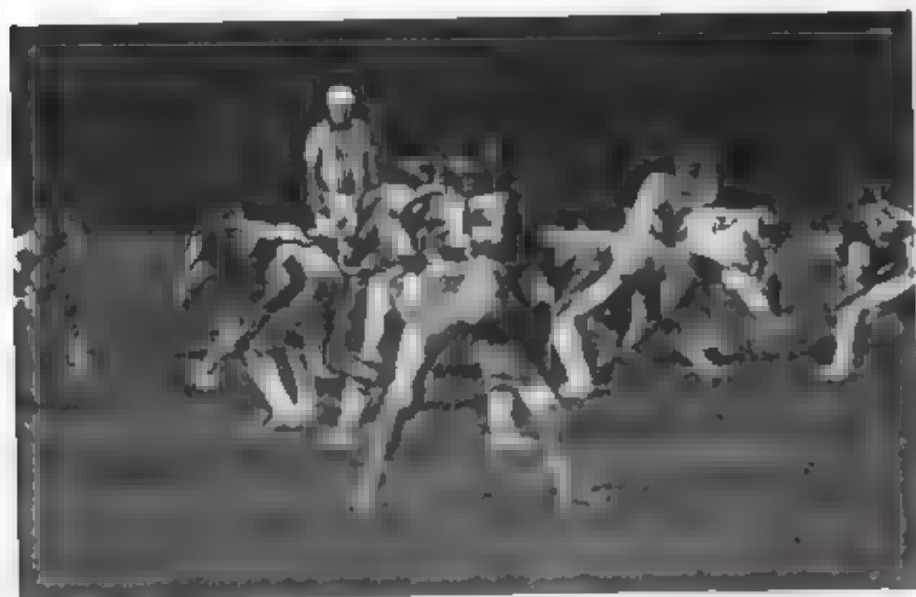

## The Mighty Blue Jackets?

After coming off an easy victory over the hopeless Knights, the jackets looked forward to traveling to Statesboro to meet the Blue Devils. They were very disappointed as Statesboro closed the door on their offense and opened it for theirs! The jackets returned to Savannah after a 20-0 loss.

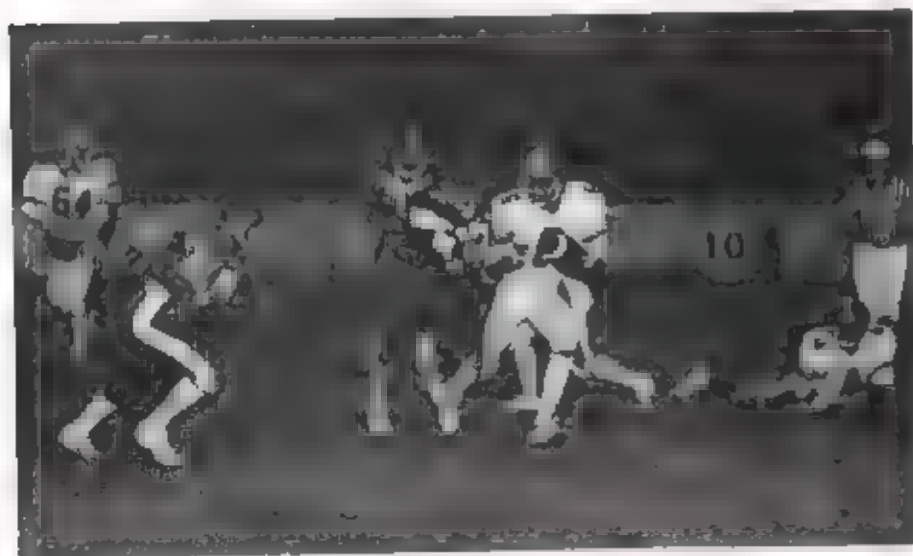

## Bradwell Gets By SHS

The Blue jackets fell to the Bradwell Tigers, 27-14, in what you would call a good old hard hitting ballgame. The Blue jackets held the Tigers on their first three possessions without a first down. The Blue jackets' first score came when Henery Simmons bulled over from the three with 7:10 left in the first quarter. The second score came when Bertell Outler sprinted 89 yards on the second play of the third period. The Blue jackets later moved down to the Bradwell 18 in the final period, but fumbled the opportunity away when running back Frank Johnson lost the handle and was recovered by B!

## Jackets Fall to Warriors

The Blue jackets lost a hard battle 7-0 to the stubborn Warriors' club. The first half was a case of strong defense. The jackets held the Warriors when they were on the verge of scoring. The Warriors were held to only 18 yards passing.

## Jackets Lose Again

The story remains the same. SHS was unable to generate enough offense in the 30-0 game. Coffee County was one of the toughest teams SHS had to face this season.

## Jackets Win in Mismatch

The Blue Jackets ended their season on a positive note, defeating the Atomsmashers 28-0. Leading the way for the Blue Jackets were seniors Johnny Mills and Kevin Hutchinson. Mills threw for two touchdowns and 132 yards; while Hutchinson was on the receiving end of one of Mills' touchdown passes, he also returned an interception 58 yards for another Blue Jacket touchdown. Stuart Rhodes and Jack Grant each had a touchdown on the night.

## Epilogue

Putting together a yearbook involves a lot more than what meets the eye. At the beginning of the year, the Blue Jacket Staff was faced with the challenge of capturing the life of Savannah High School and putting it into a book. We have worried and worked hard, trying to meet deadlines that seemed impossible, and these would have been without the help of Ms. Siddall and Ms. Love. Now that the annual is finished, we all feel a sense of accomplishment. During the year, we have learned more about ourselves as well as the other students at Savannah High School. We have experienced moments that we will never forget.
